Re: pay and allowances of the Range Forest Officer, Fuel Supplies, Bangalore City

Letter no 9-7984-46 dt. 2.7.1947 (received from the Director of Forest Supplies requesting Sanction to fix the Salary of the Range Forest Officer, working under the Special Officer, Fuel Supplies, Bangalore city at his grade pay in the Forest Dept plus a deputation allowance of 20% thereof plus a Conveyance allowance of Rs. 20/- p.m.

While sanctioning certain establishment for the Special Officer, Fuel Supplies, Bangalore city (Vide Govt no Ft. 3207-1 Ref ms/FAV41-44-14 dt 3/12-12-1944) Government directed inter alia conversion of Forests to spare out Services of a Range Forest Officer and a Forester from the Forest Department for work under the Special Officer Fuel Supplies.

In the Memorandum No C1-2745/44 dt 15.2.1945 the Additional Director of Food Supplies had inter alia proposed that the Range Forest Officer deputed to the Food Dept may be permitted to draw his grade pay in the Forest Department plus a deputation allowance of 20% thereof and a Conveyance allowance of Rs. 20/- p.m. with effect from 1.8.1944 (A/N) the date on which he joined duty in the Food Dept. The proposal was not accepted. The discussions at para 11-38 of note in Collection A 41-44 (15-29) flesh

pay and allowances of

below are for perusal and
kindly. Government approved the temporary
appointments of the following staff
as it had been made by the D.F.S in
anticipation of sanction :-

2 Fuel Inspectors on Rs. 80+20 each.
3 Asst. Fuel Inspectors — 50+10 each
4 peons — 11/- each p.m.

3) The D.F.S has now solicited
(i) sanction for the previous proposal re:
fixation of salary of the Range Forest Officer
(vide para 2 of note above) on the ground
that "specific orders of Government
in the matter have not been
received."
Approval to this action and authorising
the Accountant and Accounting Officer
to admit the salary bill of the present
Range Forest Officer (Mr. C. Rama Rao
on the scale previously proposed by him — viz; Grade pay
in the Forest dept. plus deputation
allowance of 20% and conveyance
allowance of Rs. 20/- p.m.) provisionally in
audit, as was done in the case of
his predecessor Mr. Syed Mahamood.

4) The action taken by the DFS
in continuing the Range Forest Officer
without sanction and in authorising
this salary on the proposed scale of Rs Nil
does not seem to be regular. Orders

5) From the collections placed below it is clear that the D.F.S requested for the services of a Forest Ranger only for a period of three months. This proposal was sanctioned by Government, after very strong objections put forth against the same by the Financial Secretary (Vide paras 24 & 25 of Colln placed below). Even then sanction was accorded because of a fait accompli – the staff had already been employed. Thus it is apparent that Govt were not in favour of continuing that staff at all. And in fact no proposal for continuing the services of the ranger was also received. It had also been made clear by the D.F.S himself in his U.O note (para 17 of Colln) that if sanction was accorded to the extra appointment of a fuel inspector, the Ranger would be absorbed in that vacancy. So if the D.F.S had any intention of continuing the servis of the Ranger it should have been against the sanctioned post of a fuel inspector.

So, if approved, this will be pointed out to the D.F.S.

6) But we are again faced with a fait accompli of the D.F.S having continued the ranger ~~was~~ independently and not against the sanctioned post of a fuel inspector. Although such a procedure was highly irregular it is quite possible that there may have been a slight misconprehension in the interpretation of the G.O of 9/12 Dec 1944. In the body of that order the C.C.F. has been requested to spare the services of a Range Forest Officer and a forster for working under the Special Officer fuel supplies. No mention was made regarding this post, unfortunately, in the Appendix to that order specifying the establishment. This was probably the cause for all this trouble. Flag R.

7) So it would be necessary now to approve the action of the D.F.S in having continued the services of the Forest Ranger and sanction his

proposal to fix the salary of the R.F.O at his Grade pay in the Forest Deptt. plus a deputation allowance of 20% thereof plus a Conveyance allowance of Rs 20/- per month. His action in having requested the A & A.O to pass the salary bill of the present incumbent will also have to be approved.

8) The D.F.S will also be requested not to continue the R.F.O independently, but if he feels that his service are necessary, he may do so against one of the sanctioned post of the Fuel inspectors.

17) In G.O.No.S.D.3207-14/A.41-44-14 dated 9-12-1944 (vide para 4), Government directed that the services of a Range Forest Officer and Forester of the Department Forest Department may be spared

spared for work under the Special Officer, Fuel Supplies, Bangalore City, and a Range Forest Officer was accordingly posted to this Department for the said purpose. As the period for which the services of this official were to be placed at the disposal of this Department was not specified in the Government Order and as his services were absolutely necessary in connection with the commandeering and valuation of plantations etc., he was continued in this Department under the authority of the said Government Order and this appointment has been included in the statements of establishment for the continuance of which sanction of Government was applied for from time to time in the marginally noted communications of this office.

(18) 2. As, however, the pay and allowances of the Range Forest Officer have not been fixed in the Government Order dated 9-12-1944 cited above, a recommendation was made to Government in this office U.O.Note No.Cl.2749/44-45 dated 12-2-1945 and in correspondence ending with this office letter No.Cl.5744/44-45 dated 9-6-1946 to fix the salary of this officer at his grade pay in the Forest Department plus a deputation allowance of 20% thereof plus a conveyance allowance of Rs.20/- p.m. and the salary of the said Officer was being admitted in audit provisionally on the scale recommended. Approval of Government to the action taken in this behalf has been solicited in correspondence resting with this office letter No.Cl.7984/46-7 dated 2-7-47.

R.

20) 4. In Government Order No.3284-87/A.4-47-2 dated 6-11-47, Government sanctioned the continuance of the entire establishment of the Special Officer, Fuel Supplies, Bangalore City, till the end of June 1948 till the end of June 1948 with the direction that the Range Forest Officer may be continued if necessary, against the sanctioned post of a Fuel Inspector. A reference has been made to Government again in this office letter No.Cl. 7729/46-47 dated 8-12-47 explaining the need for the continuance of the Range Forest Officer independently of any sanctioned post, on his grade pay in the Forest Department plus a deputation allowance of 20% thereof plus Rs.20/- C.A. p.m. and soliciting sanction therefor. I request early sanction of Government to the proposal. M. Links file. P.U.D. Links file.
